Dear Local Business Owner,

The Manitou Beach Small Business Loan Association is proud to announce the **Store Front Improvements Loan**. The Store Front Improvement Loan is a one-time, interest free loan dedicated solely for Store-Front Improvements for our business community.

Manitou Beach has experienced unprecedented growth, and we want to ensure that the local businesses are ready to attract and retain new customers. The Manitou Beach SBLA Committee is hoping that this interest free loan will enhance the general appearance of the community and compliment all the development that is currently taking place.

The Store Front Improvements Loan was formed with a completion goal for summer 2008 and therefore the following criteria have been set:

- Maximum loan of \$10,000 over 3 years (36 months) at 0% interest.
- Must be a commercial property located in the Resort Village of Manitou Beach.
- Must be used for store-front improvements (windows, siding, painting, signs, planters, steps, etc.).
- The Manitou Beach SBLA Committee must approve all loans.
- An application deadline of March 31, 2008 has been set; however please submit applications as soon as possible.
- While the Manitou Beach SBLA Committee encourages all work to be completed by early summer 2008 we have set a final completion date of no later than November 1, 2008.

Applications for the Store Front Improvements Loan or any other SBLA information can be picked up at the Long Lake REDA office, which is located at 402 Main Street in Watrous (Town Office). For more details, please call 946-3011.

Sincerely,
