Delegations and Discussion regarding New Business Item 7.e) (4<sup>th</sup> Ave E)

6:05 PM Dr. Allison Bartel, Watrous Animal Clinic  
- Dr. Bartel stated that the more access routes to the industrial area the better for her customers. She expressed some concern for property safety if 4<sup>th</sup> Ave East was closed, feeling it would be somewhat isolated from the main part of town and the RCMP. She indicated that with her location adjacent to Highway #365 she was perhaps less concerned with the proposed closure than some other businesses in the area and stated that her greatest concern is that 4<sup>th</sup> Avenue East is dust proofed.

6:10 PM Lionel Sproule and Burt Crawford, Storage First  
- Lionel and Burt expressed concern with the proposed closure, the effect on traffic routes throughout town (especially the traffic increase 2<sup>nd</sup> Ave will see) as well the safety and security of properties and equipment in the industrial area. They encouraged Council to keep 4<sup>th</sup> Avenue East open to through traffic.

Following the speakers Council reviewed written submissions from Jean Isherwood, Integra Tire, Melron Service Ltd., Hayter Drilling Ltd. and CIC Electric Service Ltd. All of the submissions expressed concern with the proposed closure.

Council spent considerable time discussing the traffic flow to and from the industrial area including additional access on Midway Street North and 8<sup>th</sup> Avenue East. Public Works is currently assembling traffic count data for the area that may be of some assistance to Council. Council concluded that further information and discussion would be required at the ir next regular meeting.
