Mayor Upshall and Councilor Moffat outlined their current arrangements for water treatment plant operators and discussed whether there may be a benefit for the two communities to consider working together to attract and retain certified operators. There was general agreement that this matter should be investigated after the Town of Watrous has operated the new water treatment process for a few months.

EMO – General discussion between the delegation and Watrous Council surrounding emergency measures and the significant similarities between both communities EMO plans. Both offices have been in contact with the area Emergency Services Officer (ESO) regarding this matter. The ESO has suggested attending a joint meeting in the future.
