New for 2017

Each family must provide a **\$150 deposit cheque** (dated July 31, 2017) which will be cashed in the event they fail to work their gate/booth shift. **We no longer offer the “buyout” option!** You will be able to choose and sign up for your shift on registration night.

If you are unable to work your shift, kindly switch with another family or hire out your shift. Let the other workers on your shift know of the change so that they are not expecting you.

Please be aware that all workers must be aged 18 or over with the exception of ONE hired out underage worker per shift.

Ie: If you plan to hire out your shift to an under aged worker, you must inform the other families you are working with in order to avoid having more than one underage worker.
