CASH BACK

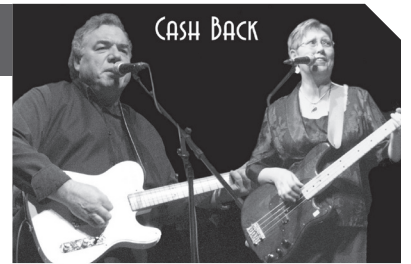

Saturday, September 29, 2018 7:30 PM • Watrous Civic Centre • 404 Main St.

In the spring of 1955 Johnny Cash walked into the legendary Sun Recording Studio in Memphis Tennessee and the music world was never the same..... Cash Back performs the music of one of the world's greatest music icons through authentic versions of songs that made him legendary, ranging from

the fifties to the ninety's including gospel. They respectfully and lovingly reference the late, great Man In Black's early Columbia and Sun Records sound. They try to keep the Cash sound as authentic as possible while adding their own flavor to the mix. Cash Back draws from a large repertoire of songs either written and/

or performed by Cash, including the June Carter Cash duets. Cash Back also pays tribute to the Carter Family whose music was so influential and who became an integral part of Johnny Cash's life.

PRAIRIE DEBUT PRESENTS: LADOM ENSEMBLE

Wednesday, January 30, 2019 7:30 PM • Watrous Civic Centre • 404 Main St.

Ladom Ensemble is the best example of musical integration that defines this country. Drawing from Persian, Balkan, South American, and Turkish music, these four musicians effortlessly integrate these musical genres and blend them into a contemporary classical framework. Ladom

Ensemble engages the audience through their energetic performances, mingled with the musicians' cultural and musical stories that furthers the audience's overall experience. With a unique combination of instruments consisting of accordion, world percussion, cello, and piano, they create a

distinct yet accessible sound that will be a memorable performance for all ages. Original compositions such as Raha, Noor, and Veles I & II represent the ensemble's vast musical works of Middle Eastern persuasion, while their own arrangement of Brahms's Hungarian Rhapsody, Piazzolla's Libertango, and

even Weird Fishes by Radiohead, gives familiar works a refreshed musical diversity to share.

RED MOON ROAD

Tuesday, March 19, 2019 7:30 PM • Watrous Civic Centre • 404 Main St.

Red Moon Road was formed in 2012 by Daniel Jordan, Sheena Rattai and Daniel Peloquin-Hopfner, 'Sorrows and Glories' (their third album) has delighted listeners worldwide. The three collaborative yet distinct writers frame immaculately crafted songs

with original and innovative instrumental work. With tastes of Albertan country, Parisian aires, banjo driven anthems and the tradition folk storytelling in a Canadiana style, the music carries the stories as compellingly as the lyrics. The Winnipeg folk trio is

known for surviving adversity, spinning stories into songs and, more often, breaking hearts with stunning musicianship. Live, Red Moon Road makes a much bigger sound than one would expect from a trio. In an impressive well-choreographed show, bordering on spectacle,

the trio incorporates impeccable three-part harmonies, a roots drum kit split entertainingly but pragmatically between two band members and an acoustic guitar rigged to also be a bass.
