BASIC RESTRICTIONS

FOR HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM MATERIALS

Refer to the Program website for more details:
Saskatchewan - Product Care Recycling

- **Household waste only** - No waste marked or sold as commercial, industrial or agricultural
- **Original containers only** - No repackaged waste
- **Original labels only** - Original container must have original label
- **Sealed containers only** - Must be leak-proof, generally the original cap must be attached
- **For pesticide container** - must show the Pest Control Product number and the word "Domestic". Note that many common household "pesticides" such as Roundup, Killlex and others DO NOT have a toxic symbol, and are **NOT accepted**
- **PAINT IN ANY CONTAINER IS NOT ACCEPTED** - Leftover paint and empty paint cans are accepted without charge at all SARCAN recycling depots. A complete list of items accepted under the Saskatchewan Paint Recycling Program can be found on SARCAN's website.

Other Recycling Opportunities in the Community

Local retailers may accept specific materials for disposal or recycling during their regular business hours. Visit <http://saskwastereduction.ca/> for more information.
