SNOW REMOVAL REMINDER

This notice is being submitted as a friendly reminder to enable our Public Works staff to provide you with the best possible service. In order for the Town equipment and manpower to properly remove snow from the streets following a snowfall, residents and businesses are asked to remove all vehicles from the streets as soon as possible. Trailers, boats and infrequently used vehicles should not be parked on the street.

Please refrain from moving snow from driveways and private property to the streets and avenues.

The Public Works Department will make every effort to remove snow from a driveway approach during the winter months utilizing our grader and snow wing.

Even with the best efforts of our grader operator, the wing will still leave ridges of snow.

It is the property owner's responsibility to remove these ridges.

Residents are also reminded to avoid areas where snow removal is taking place. Please maintain a safe distance from snow removal equipment and vehicles at all times.

Thank you for your understanding and cooperation

VOLUNTEER FIRE FIGHTERS

The Watrous Volunteer fire department provides emergency response coverage over a large geographic area. Our main responses are: grass fires, motor vehicle collisions, alarms, vehicle fires and of course, structure fires.

The department holds bi-weekly training sessions on Mondays from 1900-2100 hours. Members receive compensation for every practice/training session as well as a specified hourly per diem for all call outs.

Those interested in joining the fire department should be a team player, physically fit, at least 18 years old and hold a Class 5 drivers license (at minimum). No previous experience is necessary as long as members demonstrate a willingness to learn and to participate and to be able to attend practices and call outs on a regular basis.

If you are interested in becoming an integral part of one of the community emergency response teams and would like to join, please Contact Jory Vanthuyne (Fire Chief) at watrousfire@sasktel.net
