2021 REVALUATIONS

The provincial government mandates SAMA to conduct periodic revaluations of all Saskatchewan properties every four years to coincide with the change to a new base date. The current revaluation was completed in 2021 using the 2019 base date. The next revaluation is to be done in 2025 using a 2023 base date.

When a revaluation is completed, SAMA provides new values to every municipality. Provincial legislation requires municipalities to use these values when determining taxes. For more information please click on the link below:
