CANADA  
POST

ENGELE & ALLIN  
“**WHEREAS** the Federal Government has announced a planned Canada Post Corporation Review from October 1, 2025 to March 31, 2026 as follows:

*Notionally, public consultations may be undertaken to consider the Canadian Postal Service Charter (2009) and to get a pulse on Canadians’ needs and use of the postal service. Should engagement be necessary, the goal would be obtain [sic] views from Canadians and stakeholders to redefine the government’s service-oriented vision for Canada Post, in a context where the postal industry landscape has changed, the needs of Canadians have evolved, and the volume of mail and letters has declined significantly to the point where Canada Post’s sustainability has been undermined.*

**WHEREAS** the current plan does not ensure that there will be any public consultation or engagement with all stakeholders, and the process and terms of reference for the mandate review have yet to be announced; and

**WHEREAS** the recent Industrial Inquiry Commission report recommended service cuts in the form of post office closures and the reintroduction of the community mailbox conversion plans of the last Federal Conservative government; and

**WHEREAS** it will be crucial for the mandate review to hear the views from municipalities on key issues, including maintaining Canada Post as a public service, the importance of maintaining the moratorium on post office closures, improving the Canadian Postal Service Charter, home mail delivery, parcel delivery, keeping daily delivery, improving postal banking, greening Canada Post, EV charging stations, food delivery, improving delivery to rural, remote and Indigenous communities, and developing services to assist people with disabilities and help older Canadians to remain in their homes for as long as possible – and at the same time, helping to ensure that good jobs stay in their communities and that Canada Post can remain financially self-sustaining.

**THEREFORE, BE IT RESOLVED** that the Town of Watrous formally writes the Minister of Government Transformation, Public Works and Procurement, Joël Lightbound, to demand that no mandate review takes place until Canada Post returns to stabilized operations, until the full impact of the stamp price increase is realized, and until parcel volumes reflect sectoral demand.

**THEREFORE, BE IT RESOLVED** that the Town of Watrous will include in its letter to Minister Lightbound that any review of Canada Post and the Canadian Postal Service Charter must be done through a full and thorough transparent public review of Canada Post, including public hearings, with all key stakeholders, in every region of Canada.

**THERE, BE IT RESOVED** that the Town of Watrous will make a written submission and/or participate in hearings to provide input in the upcoming mandate review of Canada Post.”
